Re: Construction Permit Application for One 36-hp Emergency Diesel Generator (57-0404-02),  
Norton Hill Microwave Station, Highway 45 South, Jackson, TN

Dear Mr. Hall:

On August 7, 2015, the Division of Air Pollution Control received your construction permit application for a 36-hp emergency diesel generator installed at Norton Hill Microwave Station, Highway 45 South, Jackson (57-0404-02). A determination has been made that this application is complete. "Complete" means that your application contains sufficient information necessary to begin processing the requested permit. Please note that the Division has not examined your application for accuracy, and we may request additional information during in-depth review.

If you have any questions concerning this correspondence, please contact Josh Bartlett at (615) 532-6813 or via e-mail at [joshua.bartlett@tn.gov](mailto:joshua.bartlett@tn.gov).

Sincerely,

John Fuss, Section Manager  
West Tennessee Permitting Program
